Greetings,

This message is sent to inform you that Patuakhali Medical College is now listed in the *World Directory of Medical Schools*. The school details can be viewed on the Directory website, at the following URL: <https://search.wdoms.org/home/SchoolDetail/F0007330>

If there are any information updates or changes, please let us know at this email address. We appreciate your support in keeping information on the *World Directory of Medical Schools* accurate and up to date.

We are aware that a Sponsor Note on the *World Directory of Medical Schools* is necessary for a school's graduates to sit for the U.S. and Canadian medical exams. The *World Directory* has no control over the Sponsor Notes, which are provided by separate organizations. If you are interested in having this added to your school's listing, please have an officer from your school (preferably the Dean) send a request for Sponsor Notes to: medschoolreview@ecfm.org

It is important to note that the listing of a medical school in the *World Directory of Medical Schools* does not denote recognition, accreditation, or endorsement by the *World Directory of Medical Schools* or by the partner organizations publishing this directory, the World Federation for Medical Education (WFME) and the Foundation for Advancement of International Medical Education and Research (FAIMER). Similarly, a listing does not denote recognition, accreditation, or endorsement by any or all of the sponsors of the *World Directory of Medical Schools*, except where this is expressly stated either on the website of the World Directory or on the website or other literature of any sponsor.

Kind Regards,

Deborah Bedoll
